

Request for Proposals for Organic Material Diversion Services

Addendum #1, February 21, 2019

Potential Organic Material Diversion Services Proposers:

The County received over 100 questions regarding the Organic Material Diversion Services Request for Proposals (RFP) dated January 2019. In order to provide potential proposers with the highest quality responses, the answers will be delayed by approximately two weeks. You will be notified by email when they are posted in the form of an **RFP Addendum #2** on the website:

<http://www.wmr.saccounty.net/Pages/Doing-Business-with-Us.aspx>

Accordingly, the Proposal Submittal Deadline is being extended as well. **Proposals will be due at 3pm PST on Thursday, May 9, 2019.**

In order to facilitate the preparation of proposals, site information for two County facilities (SATS and NARS) is being posted at the website also.
